

ELDERAMA AUCTION

Saturday, October 14, 2017

Since the Fall of 1986, the Elder family, including graduates, local businesses, benefactors, parents of past, present and future students, friends, neighbors, Elder faculty and staff, have come together once a year in full support of Elder High School through the Elderama Auction. Over \$3.6 million has been raised through cash donations and gift items. Many hours of hard work have been put into Elderama. Elderama is the largest fund-raising event that the school holds and it provides an Elder education and Elder Experience to today's high school students.
